Spennare – a world of portable displays

In 2006, three innovative display systems from Spennare were awarded with the distinguished German design prize Red Dot Design Award.

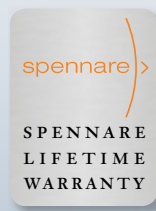

SPENNARE CONTINUES TO set a new standard of portable displays! In the following pages you will find the results of brand new engineering and award winning design. Every product is carefully designed to emphasize and become a part of the marketing message.

NATURALLY, WITH THIS AMBITION there are no shortcuts. By controlling the entire production chain from drawing-table to delivery, we always guarantee high quality, innovative design and striking usability to our carefully selected dealers.

IN ORDER TO PROVIDE for the demand of both exclusive, high end solutions as well as more cost effective options, Spennare is offering products ranging from high volume alternatives to exclusive assortment of premium products.

Roll Up S10

A light and smart design that lets the message speak for itself.

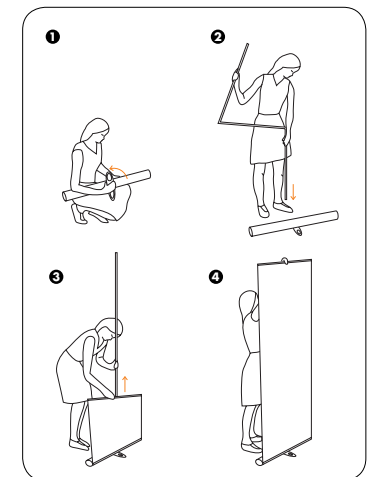

PROBABLY THE MOST GRACEFUL and convenient retractable banner system on the market! Roll Up S10 has a well defined and discreet design that lets the message speak for itself. Enjoy low weight, high quality and great usability. The foot is discreet and the cassette, which protects the message when not in use, is compact.

The materials have been carefully chosen to make Roll Up S10 light, smart and easy to use.

Available in widths of 85, 100, 125 or 150 cm. Thanks to a new telescopic pole, the height is adjustable between 155 and 220 cm.

With the display comes an attractive and durable bag equipped with a shoulder strap.

Roll Up S20

Attractive and steady, unique design.

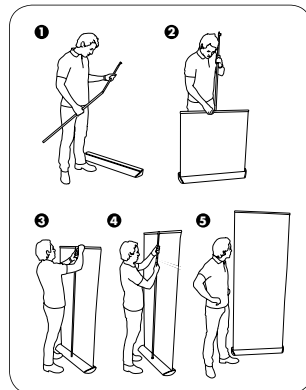

WITH ITS ATTRACTIVE PRESENTATION and unique design, the Roll Up S20 suits most environments. The rounded edges in dark chrome coating, creates a distinctive impression in harmony with your message. To further strengthen the impact, coloured end caps that easily snap in place with super magnets, are available.

Roll Up S20 is available in several different heights and widths. For adjustable height, ranging from 155 to 220 cm, choose the telescopic pole.

Add coloured end caps to enhance your message. Attaches easily with super magnets.

A durable and attractive transport bag is included.

Roll Up S30

Efficient inside, attractive outside.

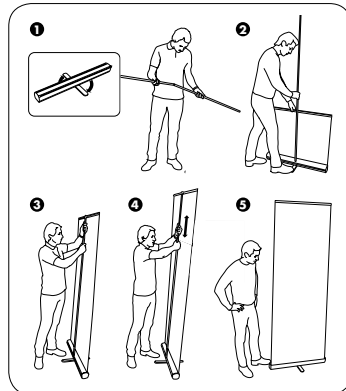

A CONSISTENT DESIGN with details in a dark chrome coating makes the Roll Up S30 stand out. The foldable foot makes this roll up both slim and sturdy at the same time. The product is available in different heights and widths.

Bring your Roll Up S30 wherever you want to display your message.

Attractive design with dark chrome details.

A durable transport bag with shoulder strap is included.

Roll Up T

Portable marketing made easy.

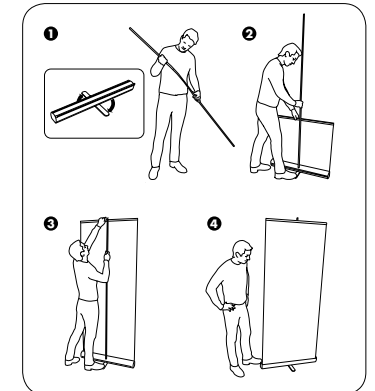

THE ROLL UP T IS A RETRACTABLE BANNER that fits in a small nylon bag. This light-weight display sets-up in less than 30 seconds, making it the ideal solution for trade shows, special events and sales people on the run. With a weight of only 4,5 kg, portable marketing could not be easier!

Roll Up T is available in widths of 85, 100 or 120 cm and heights of 200 or 218 cm.

Spotlight is available as accessory to the Roll Up T.

The complete display ships in a nylon bag.

Banner Stand S10

Quick. Easy. Perfect.

SPENNARE BANNER STAND S10 is created for those who want a usable and easy solution with perfection in every aspect. The materials are chosen after careful consideration to keep low weight and achieve a high usability. A unique design of the foot makes this product stable and exclusive.

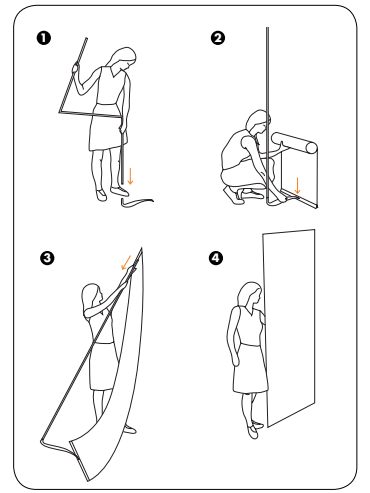

Uniquely designed foot in highest possible quality.

Available in 9 different sizes. Widths of 60, 80, 85 or 100 cm and heights of 196, 216 and 236 cm.

With the display comes an attractive and durable bag equipped with a shoulder strap.

Banner Stand S20

Picture and message in focus.

THE BANNER STAND S20 IS THE FAITHFUL servant that stays in the background and still does a splendid job. In this case the communicative act really speaks for itself. The image is surrounded only by the full attention from the audience. Snap profiles make it easy to change image.

Easy and user friendly assembly.

The graphic size of the Banner Stand S20 is 85x215 cm or 90x223 cm.

The complete display ships in a nylon bag.

X Foot S10

A design that empowers your message. Twice.

THIS IS A DISPLAY MADE FOR great communication. X Foot S10 gives you the option of double exposure as well as adjusting the height of the image. With its unique folding foot the display is elegant and has great stability. Discreet snap profiles make it easy to change the image.

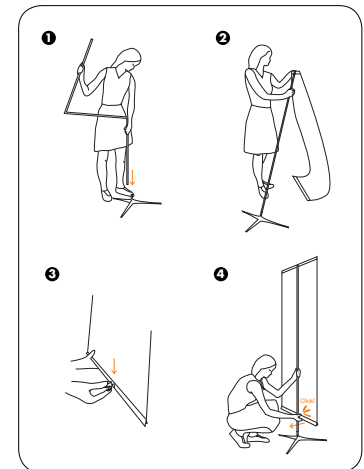

With its spring-loaded foot, the X Foot S10 becomes very balanced.

Available in widths of 60, 80, 85 or 100 cm. Thanks to a new telescopic pole, the height is adjustable between 155 and 220 cm.

With the display comes an attractive and durable bag equipped with a shoulder strap.

X Foot S20

Supports your message twice.

THIS SIMPLE AND VERSATILE display is an ideal solution, both for large scale campaigns and for more permanent solutions. The X Foot S20 is an “all in one” solution which makes the system extra user friendly. Arrange the tripod by simply placing it on the ground. Adjust the telescopic pole and mount the image – your display is ready.

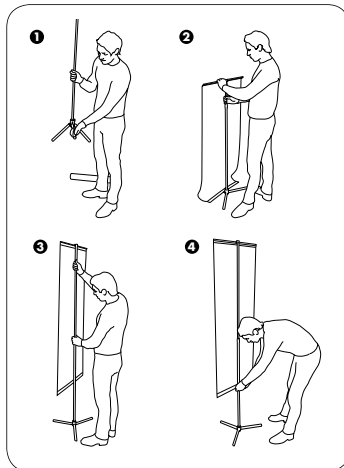

A durable transport bag is included.

The tripod creates a very stable solution.

Can easily be made double sided.

Pop Up S10

A wonder wall of great design.

NO DOUBT, THE POP UP S10 is our most interesting new product, setting a new standard for Pop Up systems. Uncompromising design meets the most user friendly solution on the market today. We have carefully selected materials that meet the highest demands and a new smart magnetic solution for a quick and easy assembly.

Available in different widths. Choose between straight or curved structure. The height is 225 cm.

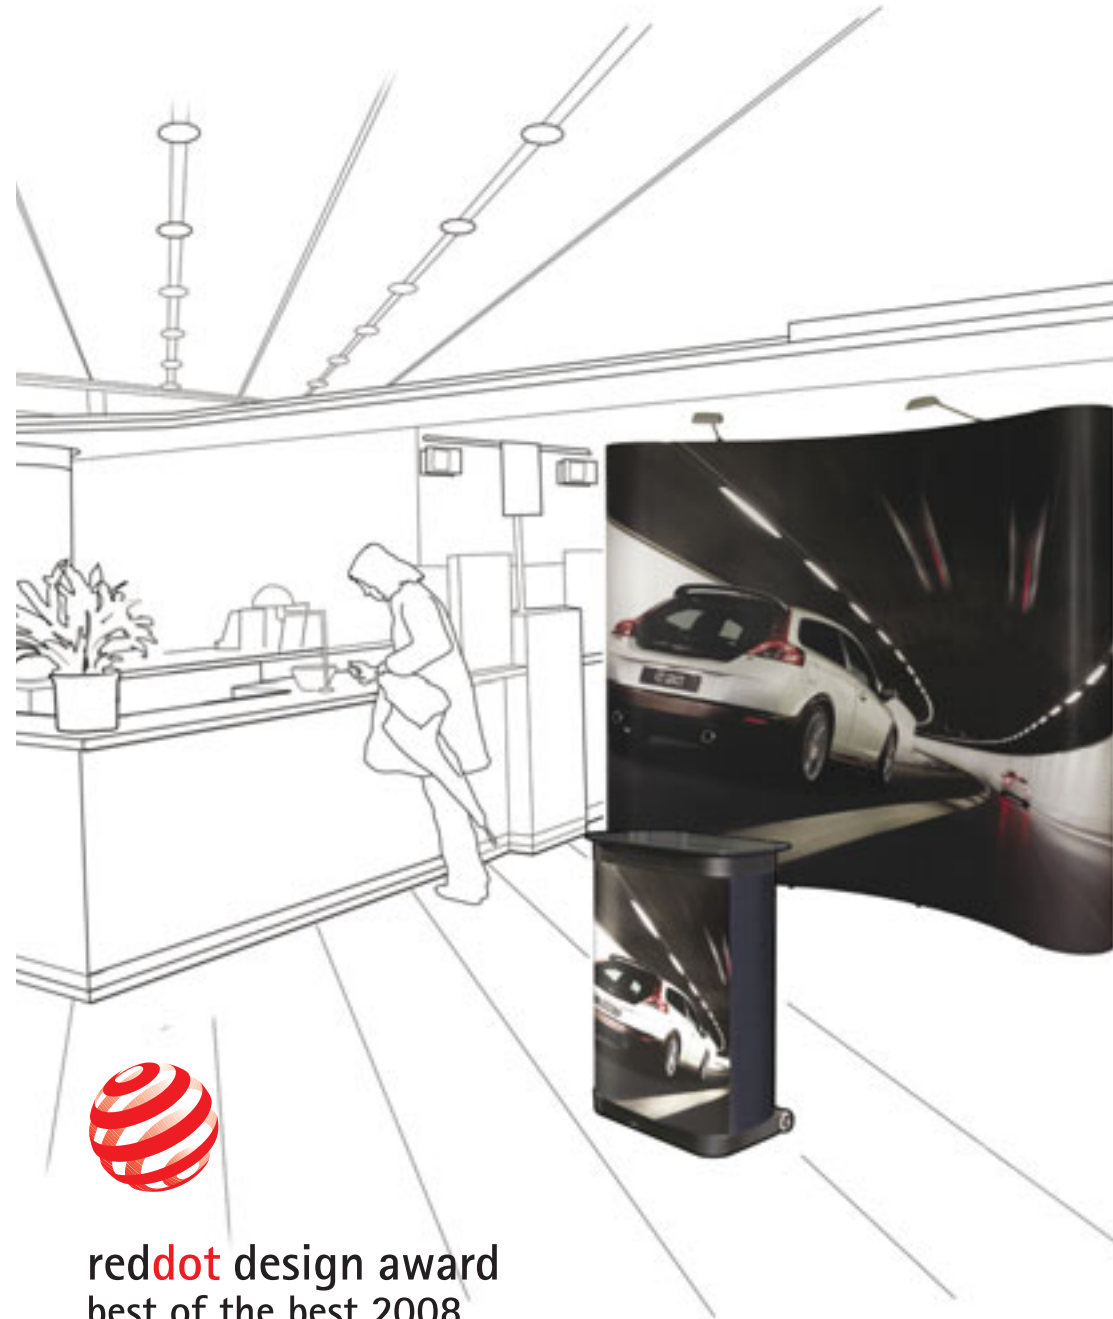

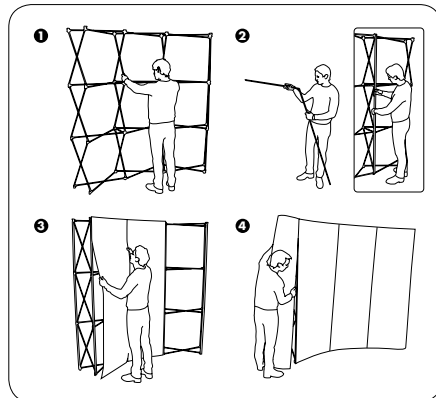

The graphic panels easily attaches to the foldable magnetic bars.

All locks and hooks have been replaced with innovative super magnetic solutions.

A complete Pop Up S10, including accessories, easily fits in a transport case on wheels.

Pop Up S20

Big impression assembled in no time.

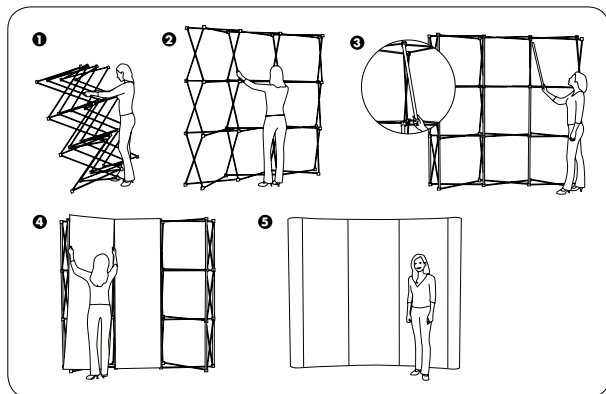

PULL THE FRAME UP, ATTACH THE graphic panels to the magnetic bars, and a complete setting is ready to make impact. The optional spotlights and transport case gives you a complete, easy-to-carry solution for a successful event. Pop Up S20 is a flexible and cost effective solution for making a big impression.

Available in different widths. The height is 220,5 cm.

With the help of super magnets, all panels are easily put in place.

A complete Pop Up S20, including accessories, easily fits in a transport case on wheels.

Pop Up Textile S30

Convenient and powerful.

THE POPULAR POP UP TEXTILE S30 has become something of a classic in many show rooms. This refined version is equipped with magnetic locks backed up by security hooks for a reliable solution. With the graphic always mounted to the structure, this stable structure goes from folded to full size in less than a minute.

With velcro fastening the graphics, changing message could not be easier.

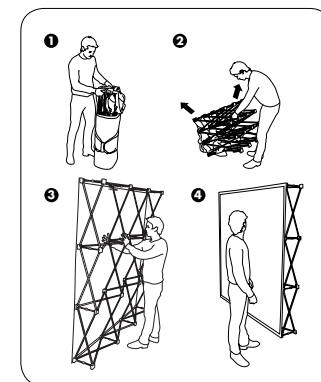

The Pop Up Textile S30 is conveniently locked with the help of super magnets.

Available in three different widths. The height is 223 cm.

Ships in a flexible transport bag on wheels.

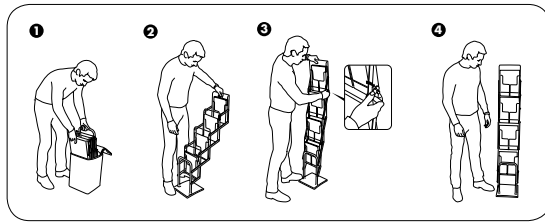

Broschure Holder S10

Ready to spread the news.

WITH TRAYS MADE FROM transparent plastic, the Broschure Holder S10 is neat, adaptable and good looking. It sets up in basically no time, and stands securely on a high finish chrome base.

A reinforced nylon bag fitted with both handles and shoulder straps is included in the product.

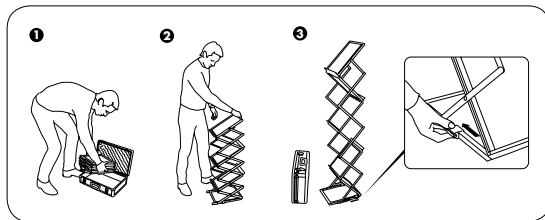

Broschure Holder S20

Does the trick from two sides.

SHOWING OFF YOUR brochure material made easy and efficient! The Broschure Holder S20 comes with either wooden or acrylic shelves. Delivered in a sturdy aluminium case.

Delivered in a sturdy aluminium case.

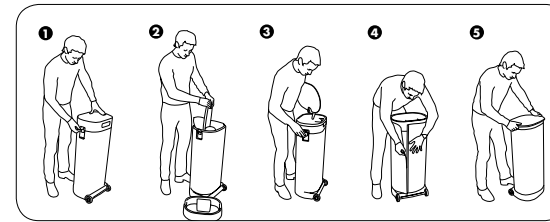

Podium Box S10

Practical kit for a salesman on tour.

MATERIAL STORAGE, WORKING AREA and advertising surface. The small podium box is probably the most compact all-in-one solution on the market today.

Transforms in no time from transport case into a podium. Graphic size 115,5 x 79 cm.

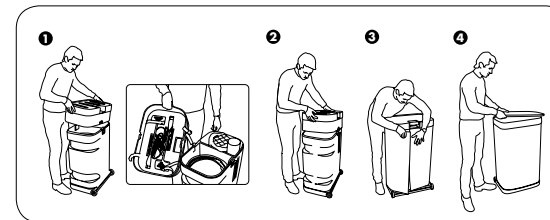

Podium Box S20

All you need in a box.

THE BIG PODIUM BOX IS nothing less than a full solution for efficient marketing. On wheels! Load it with graphic panels, a Pop Up structure, spotlights and more.

Transforms in no time from transport case into a podium. Graphic size 176 x 84 cm.

Round Up S10

360 degrees of message exposure!

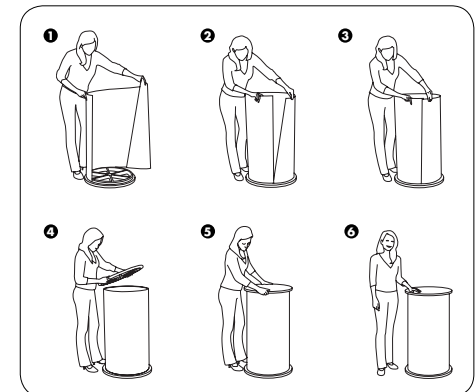

THIS IS WHERE THE ACTION TAKES PLACE!
The Round Up S10 is a perfect meeting point for one-to-one marketing. By connecting a graphic panel to a base and top plate, you create a stable demo podium in 30 seconds. Use it as a single table or build columns of several units on top of each other.

Available in black and light grey.

With the display comes an attractive and durable bag.

The panel easily attaches to a bottom or top plate with magnets. Build columns of several units on top of each other, just by adding a Round Up Middle Plate.

Textile Counter S10

An inviting platform for marketing and support.

THE TEXTILE COUNTER S10 IS THE practical starting point for all marketing activities. The textile image wraps around the structure and at the back of the counter you find shelves enabling storage of personal things, brochures etc. Combine with the Pop Up Textile S30 for a full showcase solution.

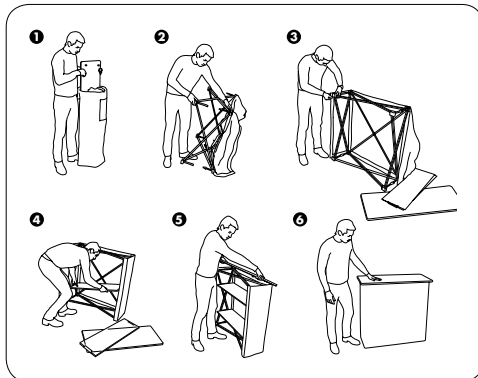

The graphic size, including ends, is 174 x 100 cm.

The top shelf is available in three different colours.

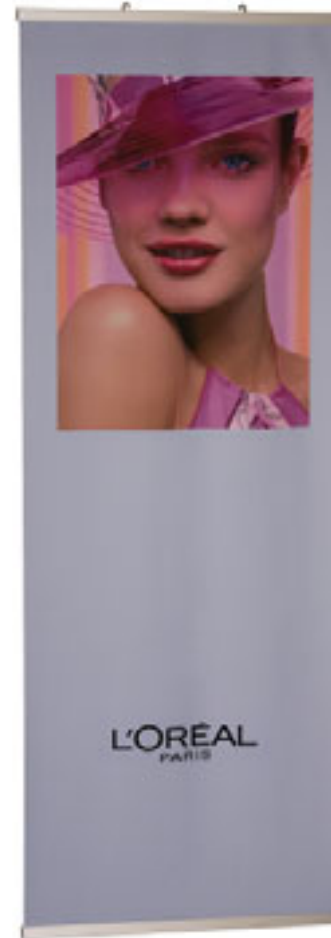

A complete Textile Counter fits in this flexible transport case on wheels.

Poster Snap Profile S10

Snap it good!

THIS SOLUTION ALLOWS GRAPHICS TO COMMUNICATE from the ceiling, on the wall or in a shop window! The Poster Snap Profile is perfect for displaying images where floor space is limited. The Poster Snap Profile S10 easily "snaps" on to the images upper and lower edges. The image can easily be replaced by just opening the profiles and "snap" a new one in place!

The image can easily be replaced by just opening the profiles and "snap" a new one in place!

Choose the width that you need. The movable hooks make the hanging easy.
