

Pop Up S20

Big impression assembled in no time.

PULL THE FRAME UP, ATTACH THE graphic panels to the magnetic bars, and a complete setting is ready to make impact. The optional spotlights and transport case gives you a complete, easy-to-carry solution for a successful event. Pop Up S20 is a flexible and cost effective solution for making a big impression.

Available in different widths. The height is 220,5 cm.

With the help of super magnets, all panels are easily put in place.

A complete Pop Up S20, including accessories, easily fits in a transport case on wheels.
