

Poster Snap Profile S10

Snap it good!

THIS SOLUTION ALLOWS GRAPHICS TO COMMUNICATE from the ceiling, on the wall or in a shop window! The Poster Snap Profile is perfect for displaying images where floor space is limited. The Poster Snap Profile S10 easily "snaps" on to the images upper and lower edges. The image can easily be replaced by just opening the profiles and "snap" a new one in place!

The image can easily be replaced by just opening the profiles and "snap" a new one in place!

Choose the width that you need. The movable hooks make the hanging easy.
